EXHIBITION PROSPECTUS

WELCOME TO MICHIGAN

Ceramics Expo is North America's premier event dedicated to the technical ceramics and glass supply chains. Now in its 8th year, our event provides an unequalled platform for doing business. Whatever your objectives, achieve them at Ceramics Expo

For 2023, Ceramics Expo has a new home at the Suburban Collection Showplace in Novi, Michigan. Located just 30 miles from downtown Detroit, a major automotive hub for the manufacturing industry and home to Ford and The General Motors Company.

This strategic move brings us closer to our key target markets and gives you access to a broader range of decision makers crucial to your success.

Alongside the exhibition runs our free to attend conference and invite only VIP networking reception, enhancing the business and knowledge discovery possibilities on offer making Ceramics Expo the complete event for the technical ceramics and glass manufacturing industry.

“ ”

All of us learned quickly how to work with digital-to digital meeting solutions, but face-to-face can never be replaced.

I would recommend to everybody in the ceramics industry to be at Ceramics Expo. It's a brilliant opportunity to meet people, to find new solutions, and to understand your position in the value chain.

FIVEN GmbH

WHY YOU SHOULD EXHIBIT...

CONNECT

with prospective customers, partners and existing clients and suppliers.

NETWORK

with global representatives from the entire advanced ceramic supply chain.

GET CLOSE TO THE ACTION

and meet with buyers and decision makers who have a vested interest in doing business in the ceramics manufacturing and materials marketplace.

STAY UP TO DATE

with the latest designs and manufacturing processes in the ceramic and glass markets.

KEEP ON TOP

of evolving customer requirements.

“ ”

We're so excited to touch base with friends and colleagues at Ceramics Expo and let them see our 3D printed samples!

NEW FOR 2023!

ALL-INCLUSIVE BOOTH PACKAGE

For 2023, we will be providing all-inclusive booth packages for our exhibitors, so costs are clear from the beginning. This is mandatory unless your booth is custom built and will apply for booths **up to 300sqft at \$500 per 100sqft**. This will give our exhibitors a more convenient experience of booking everything all at once. Your booth package will include:

- ✓ **Skirted table, and 2 chairs**
- ✓ **Company name board**
- ✓ **Carpet**
- ✓ **Nightly vacuuming**
- ✓ **Electricity supply**
- ✓ **Waste basket**

Everything you need to have your booth stand ready for the exhibition.
